# Versteigerungsbedingungen | Informationen für Käufer

## 1. KUNST & DESIGN AUCTION HAUS SCHOPS TUROWSKI

Das KUNST & DESIGN AUCTION HAUS SCHOPS TUROWSKI (im Folgenden: „der Versteigerer“) versteigert öffentlich, freiwillig, im fremden Namen und für fremde Rechnung.

## 2. Ablauf der Versteigerung

Die Versteigerung erfolgt in Euro. Aufrufpreise sind die im Katalog angegebenen Limit-Preise. Gesteigert wird nach festgelegten Gebotsschritten, die im Katalog aufgelistet sind.

Der Versteigerer hat das Recht, Nummern außerhalb der Reihenfolge des Kataloges anzubieten, zu vereinen, zu trennen und/oder zurückzuziehen. Unter Angabe eines besonderen Grundes kann der Versteigerer den Zuschlag verweigern. Ein besonderer Grund liegt insbesondere dann vor, wenn dem Versteigerer ein Bieter unbekannt ist und dieser nicht spätestens bis zu Beginn der Versteigerung Sicherheit geleistet hat.

Der Versteigerer ist berechtigt, eine aktuelle Liquiditätsbescheinigung einer Bank oder Sparkasse oder ein Bar-Depot zu verlangen.

## 3. Vorbesichtigung

Sämtliche zur Versteigerung kommenden Gegenstände können vor der Versteigerung besichtigt und geprüft werden (1 Woche Vorbesichtigung). Die Vorbesichtigung erfolgt während der Geschäftszeiten in den Geschäftsräumen des Versteigerers in Krefeld. Fernbieter werden auf Nachfrage und soweit vorhanden über den Katalogtext hinausgehende Zustandsberichte bzw. weitergehende Informationen zugesandt.

## 4. Versteigerungsgegenstände / Katalogangaben

Die Gegenstände sind gebraucht und werden in dem Erhaltungszustand versteigert, in dem sie sich im Moment des Zuschlags befinden.

Katalogangaben und entsprechende Angaben auf unserer Website werden nach bestem Wissen und Gewissen erstellt, stellen jedoch keine Garantien im Rechtssinne dar. Gleiches gilt für mündliche oder schriftliche Auskünfte sowie Auskünfte in Textform. Ferner wird der Käufer hiermit darauf hingewiesen, dass Abbildungen der Gegenstände, insbesondere im Katalog oder auf der Internetseite des Versteigerers sowie bei Versendung mittels E-Mail aus technischen Gründen Abweichungen gegenüber dem Original aufweisen können, insbesondere im Hinblick auf Farbe und Auflösung.

In der Auktion werden ausschließlich die jeweiligen Kunstwerke, nicht jedoch Rahmen, Passepartouts oder Bildglas angeboten. Diese können dem Käufer kostenlos mit dem Werk ausgehändigt werden. Für solche Teile, die kein Bestandteil des versteigerten Gegenstandes sind, wird keine Haftung übernommen.

## 5. Kataloge

Kataloge werden Interessenten auf Nachfrage gerne zugesandt.

## 6. Gebote

### Teilnahme an einer Auktion

Es gibt verschiedene Arten an unseren Auktionen teilzunehmen.

Alle Bieter einer Auktion müssen sich zuvor registrieren lassen und bedienen sich hierfür des Bieterformulars des Versteigerers, welches dem Katalog beiliegt, auf der Internetseite des Versteigerers heruntergeladen werden kann oder dem Bieter auf Nachfrage vorab zugesandt wird. Gebote können vorab in Schrift- oder Textform (z.B. per Brief, Fax oder E-Mail), fernmündlich, durch übliche Zeichen im Saal oder live über Internet-Auktionsplattformen abgegeben werden.

### Saalbieter

Der Bieter nimmt persönlich an der Auktion teil und bietet vor Ort.

### Vorgebote

Gebote in Text- oder Schriftform (Bieterformular ist verpflichtend) müssen mindestens 24 Stunden vor Beginn der jeweiligen Auktion dem Versteigerer zugehen. Ein maximaler Betrag für ein Lot oder mehrere Lots wird vom Bieter angegeben und vom Auktionator während der Auktion wahrgenommen.

### Telefonangebote

Telefonbieter werden während der Auktion für die Lots angerufen, für die sie bieten möchten. Die Lots wurden zuvor auf dem Bieterformular angegeben. Die Gebote müssen vor der Auktion in Schrift- oder Textform bestätigt worden sein. Vorab muss eine Telefonnummer genannt sein, unter der der Bieter während der Auktion erreichbar ist. Der Versteigerer schließt hiermit ausdrücklich die Haftung für das Zustandekommen und Aufrechterhalten sowie etwaige sonstige Störungen der Telefonverbindung aus, und zwar insbesondere die Haftung für das Nicht-zustande-Kommen des Zuschlags. Wegen des Umfangs des Haftungsausschlusses verweisen wir auf Ziffer 10 Absatz 2.

### Internet-Auktionsplattformen

Über Auktions-Plattformen, bei denen unser Katalog gelistet ist, können Gebote live über das Internet abgegeben werden. Im Falle des Zuschlags wird zusätzlich zu unserem Aufgeld die Provision der Plattform fällig (siehe auch Kapitel 12).

### 7. Zuschlag

Der Zuschlag wird an den Höchstbietenden erteilt, wenn nach dreimaligem Aufruf eines Gebotes kein höheres Gebot abgegeben wird.

Wenn mehrere Personen zugleich dasselbe Gebot abgeben und nach dreimaligem Aufruf desselben kein Mehrgebot gemacht wird, entscheidet der Versteigerer nach zeitlichem Eingang der Gebote über den Zuschlag. Der Versteigerer kann den Gegenstand erneut anbieten, wenn irrtümlich ein rechtzeitig abgegebenes höheres Gebot übersehen worden ist.

### 8. Abnahme / Rechnungstellung / Zahlung / Gefahrübergang

Der Zuschlag verpflichtet zur unverzüglichen Abnahme und sofortigen Bezahlung. Ersteigerer sind verpflichtet, die Zahlung spätestens binnen 6 Kalendertagen nach erfolgtem Zuschlag bzw. nach Rechnungsstellung vorzunehmen, wobei es auf das jeweils spätere Datum ankommt. Die Zahlung erfolgt in der Regel per Banküberweisung. Beim Versteigerer vor Ort kann die Zahlung auch in bar, per EC- oder Kreditkarte (Master- oder Visa-Card) erfolgen. Bei Zahlung per Kreditkarte wird eine zusätzliche Gebühr von 5 % des Rechnungsbetrags erhoben.

Nach Ablauf obiger Zahlungsfrist gerät der Ersteigerer auch ohne Mahnung in Verzug.

Mit Übergabe des ersteigerten Gegenstandes, geht die Gefahr eines zufälligen Untergangs oder zufälliger Verschlechterung auf den Käufer über (Gefahrübergang). Erfolgt statt der Übergabe ein Versand, gilt für den Gefahrübergang die Regelung unter Ziffer 15. Der Gefahrübergang erfolgt, soweit nicht bereits durch vorherige Übergabe, spätestens mit Eintritt des Zahlungsverzuges.

Erfolgt die Zahlung in Fremdwährung, so gehen etwaige Kursverluste und/oder Bankgebühren zu Lasten des Käufers. Während der Versteigerung oder unmittelbar danach ausgestellte Rechnungen erfolgen unter dem Vorbehalt der Nachprüfung.

Ausfuhrlieferungen sind von der Mehrwertsteuer befreit, innerhalb der EU jedoch nur bei Unternehmen mit einer Umsatzsteueridentifikationsnummer. Sobald dem Versteigerer der Ausfuhr- und Abnehmernachweis vorliegt, wird dem ausländischen Kunden die Mehrwertsteuer vergütet. Durch die Einfuhr im Ausland ggfs. anfallende Zölle und Umsatzsteuer sind in jedem Fall vom Ersteigerer zu tragen.

## **9. Eigentumsvorbehalt**

Das Eigentum an dem ersteigerten Gegenstand geht erst mit vollständiger Bezahlung aller dem Versteigerer geschuldeten Beträge auf den Käufer über (Eigentumsvorbehalt). Während des Bestehens des Eigentumsvorbehalts darf der Käufer den ersteigerten Gegenstand (nachfolgend: Vorbehaltsware) nicht veräußern oder sonst über das Eigentum hieran verfügen.

Bei Zugriffen Dritter – insbesondere Gerichtsvollzieher – auf die Vorbehaltsware ist der Käufer verpflichtet, auf das bestehende Dritteigentum hinzuweisen und den Versteigerer unverzüglich zu benachrichtigen, damit dieser die Eigentumsrechte durchsetzen kann.

## **10. Haftungsbeschränkung**

Schadensersatzansprüche – gleich aus welchem Rechtsgrund – gegen den Versteigerer einschließlich seiner Vertreter und Erfüllungsgehilfen, die Fahrlässigkeit voraussetzen, bestehen nur, wenn eine wesentliche Vertragspflicht/Kardinalpflicht verletzt worden ist. Schadensersatzansprüche sind in diesem Fall der Höhe nach auf den typischen vorsehbaren Schaden beschränkt.

Ansprüche wegen Verletzung von Leben, Körper und Gesundheit sowie wegen Sachschäden nach dem Produkthaftungsgesetz, wegen vorsätzlichen Verhaltens oder grober Fahrlässigkeit sowie für garantierte Beschaffenheitsmerkmale bleiben von obigen Haftungsbeschränkungen unberührt.

Weist der Ersteigerer jedoch bis zu einem Jahr nach der Versteigerung nach, dass Angaben über den ersteigerten Gegenstand, welche dessen Wert oder Tauglichkeit aufheben oder nicht unerheblich mindern, falsch waren, dann verpflichtet sich der Versteigerer, seine Ansprüche gegenüber dem Einlieferer, ggf. auch gerichtlich, geltend zu machen. Bei erfolgreicher Inanspruchnahme erstattet der Versteigerer dem Ersteigerer den Verkaufspreis Zug um Zug gegen Rückgabe des im unveränderten Zustand befindlichen erworbenen Gegenstandes.

## **11. Bindung an Angebot**

Erfolgt der Zuschlag unter Vorbehalt, insbesondere weil das Höchstgebot unter dem Limit lag, so ist der Bieter an sein Gebot 30 Tage nach Zuschlag gebunden. Ein Zuschlag unter Vorbehalt wird wirksam, wenn der Versteigerer das Gebot bestätigt.

## **12. Aufgeld / Provision**

Zum Zuschlagpreis ist ein Aufgeld (Provision) von 23 % zzgl. der auf das Aufgeld anfallenden gesetzlichen Mehrwertsteuer zu zahlen. Erfolgt der Zuschlag über eine Online-Auktionsplattform, erhöht sich das Aufgeld um die von der Plattform erhobene Provision. Die Bezahlung des Gesamtbetrages erfolgt in Euro und ist binnen der oben unter Ziffer 8 genannten Frist vorzunehmen. Anfallende Bankspesen gehen zu Lasten des Ersteigerers.

## **13. Folgerecht**

Bei Kunstwerken, deren Verkauf folgerechtspflichtig ist, wird der Ersteigerer an der Folgerechtsabgabe nach § 26 UrhG iHv 4 % des Zuschlagpreises beteiligt. Die abgabepflichtigen Objekte sind im Katalog mit einem Sternchen\* neben dem Künstlernamen gekennzeichnet.

## **14. Verzug**

Bei Zahlungsverzug kann der Versteigerer wahlweise Erfüllung des Kaufvertrages verlangen oder vom Vertrag zurücktreten und Schadensersatz wegen Nichterfüllung verlangen. Mit Eintritt des Verzuges ist der geschuldete Betrag zudem zu verzinsen. Der Zinssatz beträgt für Verbraucher 5% Punkte über dem jeweiligen Basiszinssatz und im Übrigen 8% Punkte über dem jeweiligen Basiszinssatz.

Ferner kann auf Kosten des Säumigen der Gegenstand nochmals versteigert werden. Dabei haftet der Säumige auch für den Mindererlös gegenüber der früheren Versteigerung. Auf den Mehrerlös hat er keinen Anspruch.

Der Versteigerer hat das Recht, ihn von weiteren Versteigerungen auszuschließen.

## **15. Mitnahme / Versand**

Ersteigerte Objekte können in der Regel nicht sofort mitgenommen werden. Davon abweichend ist nach Absprache die sofortige Mitnahme kleinformatiger Objekte, insbesondere Vitrinen-Objekte und Gemälde möglich. Grundsätzlich obliegt die Abholung der ersteigerten Gegenstände dem Ersteigerer. Auf Wunsch kann der Versand von kleinen Objekten bis zu einem Gewicht von 30 kg durch den Versteigerer organisiert werden. Hierfür sowie für die zum Versand erforderliche Verpackung fallen Kosten an, deren jeweilige Höhe in einer Preisliste auf der Internetseite des Versteigerers unter „Versand“ eingesehen werden kann. Für schwere Objekte kann der Versteigerer auf Nachfrage ein geeignetes Speditionsunternehmen benennen.

Eine etwaige Versendung erfolgt auf Kosten des Ersteigerers. Soweit der Ersteigerer nicht als Verbraucher handelt, geht die Gefahr des zufälligen Untergangs und der zufälligen Verschlechterung mit Auslieferung des Gegenstandes an die zur Ausführung der Versendung bestimmte Person über.

## **16. Öffentlichkeit der Ergebnisse**

Ergebnisse werden idR ab dem ersten auf die jeweilige Auktion folgenden Werktag auf der Internetseite des Versteigerers veröffentlicht.

## **17. Nachverkauf**

Diese Versteigerungsbedingungen gelten für den freihändigen Verkauf nach Beendigung der Auktion, sog. Nachverkauf, entsprechend. Der Nachverkauf ist der Versteigerung nachgestellt. Die Bestimmungen über Fernabsatzverträge (§§ 312b-d BGB) finden dabei keine Anwendung. Der Nachverkauf beginnt am Tag nach der jeweiligen Auktion in den Geschäftsräumen des Versteigerers in Krefeld und dauert insgesamt 10 Tage.

## **18. Folgen verspäteter Abnahme**

Werden die ersteigerten oder im Nachverkauf erworbenen Gegenstände nicht spätestens binnen 10 Tagen nach Ende des Nachverkaufs abgeholt, dann ist der Käufer zur Zahlung von Verwahrgebühren von

10 € für kleine Objekte (insbesondere Vitrinen-Objekte und Gemälde)

20 € für große Objekte (insbesondere Einrichtungsgegenstände)

pro Woche verpflichtet, wobei er sich vorab erkundigen kann, ob ein Objekt als klein oder groß eingestuft wird.

## **19. Schlussbestimmungen**

Erfüllungsort und Gerichtsstand ist Krefeld, soweit der Käufer Kaufmann ist oder keinen allgemeinen Gerichtsstand im Inland hat oder es sich um eine juristische Person des öffentlichen Rechts oder um ein öffentlich-rechtliches Sondervermögen handelt.

Sollten eine oder mehrere Bestimmungen diese Versteigerungsbedingungen unwirksam sein oder werden, bleibt die Gültigkeit der übrigen Bestimmungen davon unberührt.

Es gilt deutsches Recht. Die Bestimmungen des UN-Kaufrechts finden keine Anwendung.

Soweit diese Versteigerungsbedingungen in mehreren Sprachen vorliegen, ist stets die deutsche Fassung maßgebend.

# Conditions of sale at auctions

## 1. KUNST & DESIGN AUCTIONSHAUS SCHOPS TUROWSKI

KUNST & DESIGN AUCTIONSHAUS Schops TUROWSKI (hereinafter referred to as: 'auctioneer') auctions in public, voluntarily in the name and for the account of third parties.

## 2. Conduct of auction

The auction is to be conducted in Euro. Calling prices are such prices listed in the catalogue as limit prices. Calls for offers are increased by specified bidding steps, which are listed in the catalogue.

The auctioneer is entitled to offer numbers outside the order of the catalogue as well as merge, divide and/or pull them out. The auctioneer is entitled to deny the acceptance of a bid provided that good cause is shown. Such good cause is given in particular, if auctioneer does not know a person who places a bid and such person refrains from supplying security at the latest until start of auction. The auctioneer is entitled to request a current certificate of liquidity of a bank or savings bank or a cash deposit.

## 3. Preview

All items on offer at the auction can be viewed and examined (preview). Preview takes place in the premises of auctioneer in Krefeld. Upon request condition reports and further information beyond the catalogue text are provided to people who bid in absence.

## 4. Items on offer at auctions / catalogue description

Items are used and come to auction in such condition in which they are at the time of the acceptance of the bid. Catalogue descriptions and respective descriptions on the internet sites of the auctioneer are made according to best knowledge and conscience, but are no guarantees according to law. The same applies respectively for oral information, information in writing or information in text form. Further buyer is hereby informed that due to technical reasons pictures of the items, particularly in the catalogue or on the internet sites as well as in the event of sending them by E-Mail may differ from the respective original, particularly regarding colour and resolution.

Only the respective works of art are offered in the auction, but not frames, passe-partouts or picture glass. These can be given to the buyer free of charge with the work. No liability is assumed for those parts that are not part of the auctioned item.

## 5. Catalogues

Catalogues will be provided to interested parties upon request.

## 6. Bids

### Participation in an auction

There are different ways to participate in our auctions.

Potential buyers in an auction are obliged to use an auctioneer's bidding template, which has to be filled in before (registration) and is attached to the catalogue, can be downloaded from the auctioneer's internet site or is previously send to the potential buyer upon request.

Bids can be made in writing or in text form (e.g. on paper by mail, by fax or E-Mail) before the auction, by telephone, by traditional signs in the auction hall or live via internet auction sites.

### Hall bidders

The potential buyer participates in person and bids by traditional signs in the auction hall.

### Absentee bids

Bids in writing or in text form have to reach auctioneer at least 24 hours prior to the respective auction (potential buyers are obliged to use the auctioneers bidding template) and must have been confirmed by the auctioneer. Bids are starting from a limit price for a lot or a certain number of lots and when the auctioneer invites the bid.

## Bids by telephone

Potential buyers who want to bid via telephone can be contacted by telephone during the auction. The potential buyer is obliged to use the auctioneers bidding template where the lots he intends to buy have been indicated.

The bids must have been confirmed before the auction in writing or in text form.

Potential buyers are obliged to previously provide a telephone number, where they can be contacted during the auction.

The auctioneer hereby explicitly excludes the warranty for formation and maintaining the telephone connection as well as for possible other trouble with the telephone connection in fact particularly any warranty for the lack of acceptance of a bid. We refer to clause 10 paragraph 2 regarding the scope of this liability exclusion.

Internet auction sites

Bids can be submitted live over the Internet via auction platforms where our catalogue is listed. In the event of a successful bid, the platform commission has to be paid in addition to our premium (see also Chapter 12).

## 7. Acceptance of a bid

Acceptance of bid is given to such potential buyer who offers the highest bid if no higher bid has been offered upon three consecutive calls of such highest bid. If several persons offer the same bid and no higher bid is offered upon three consecutive calls of such bid, the acceptance of bid is allocated by the auctioneer depending on the time he received the bid. Auctioneer is entitled to offer the item again, if a higher bid has been ignored by mistake.

## 8. Taking into possession / invoice/ payment / passing of risk

Acceptance of bid obliges to immediate taking into possession and payment. Buyers are obliged to pay within six calendar days upon acceptance of bid or issuing an invoice, whereupon the respective later date is essential. Payment is usually made by bank transfer. At the auction house on site, payment can also be made in cash, by EC or credit card (Master or Visa card). When paying by credit card, an additional fee of 5% of the invoice amount will be charged.

Buyer is in default without reminder after the above payment limit has elapsed. With handing over of the auctioned item, the risk of random destruction or deterioration of the item lays upon the buyer (passing of risk). If instead of handing over the item such item is send the provision in clause 15 applies. Passing of risk takes place, in the event that no prior handing over of the item took place, at the latest upon default.

If payment takes place in a foreign currency any possible currency losses and/or bank fees have to be paid by buyer.

Invoices issued during auction or immediately thereafter are issued with the caveat of review.

Export delivery is exempted from VAT, however, within the EU this applies only to businesses with VAT identification number. Once proof of export and proof of acceptor are provided to auctioneer, the foreign buyer is entitled to reimbursement of VAT. Custom and VAT that accrue from import have to be borne by the buyer in any event.

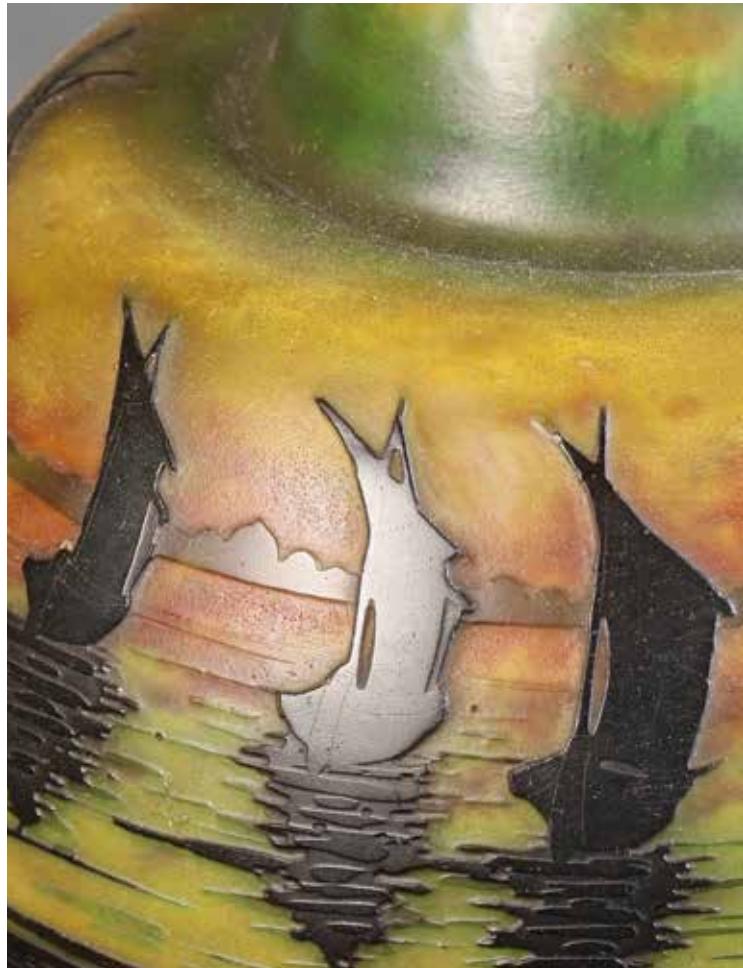

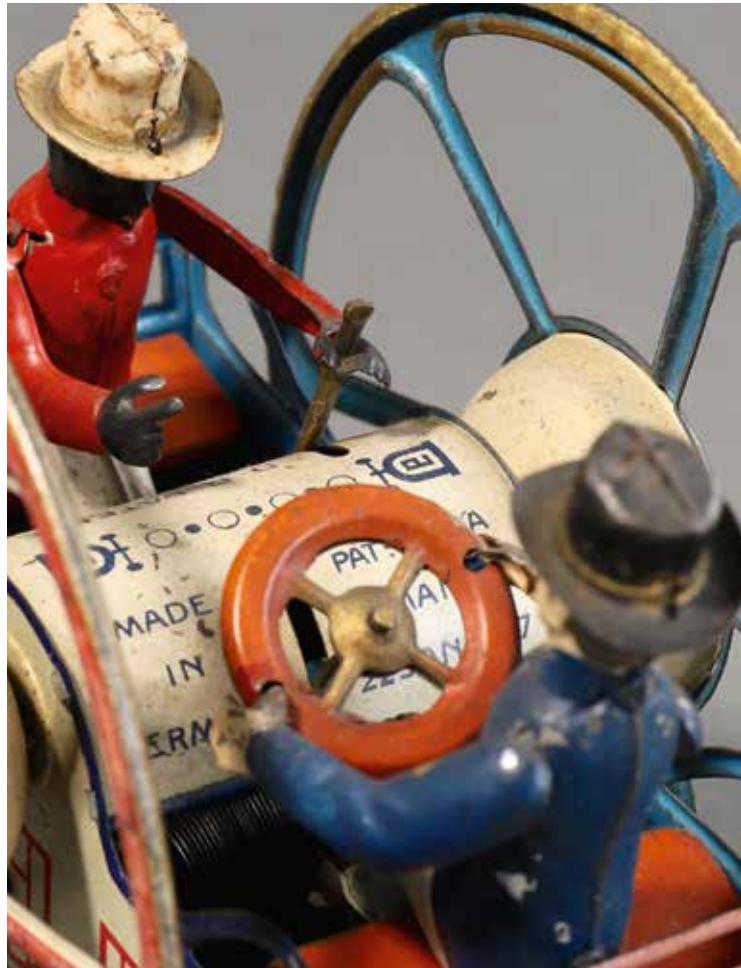

## 9. Retention of title

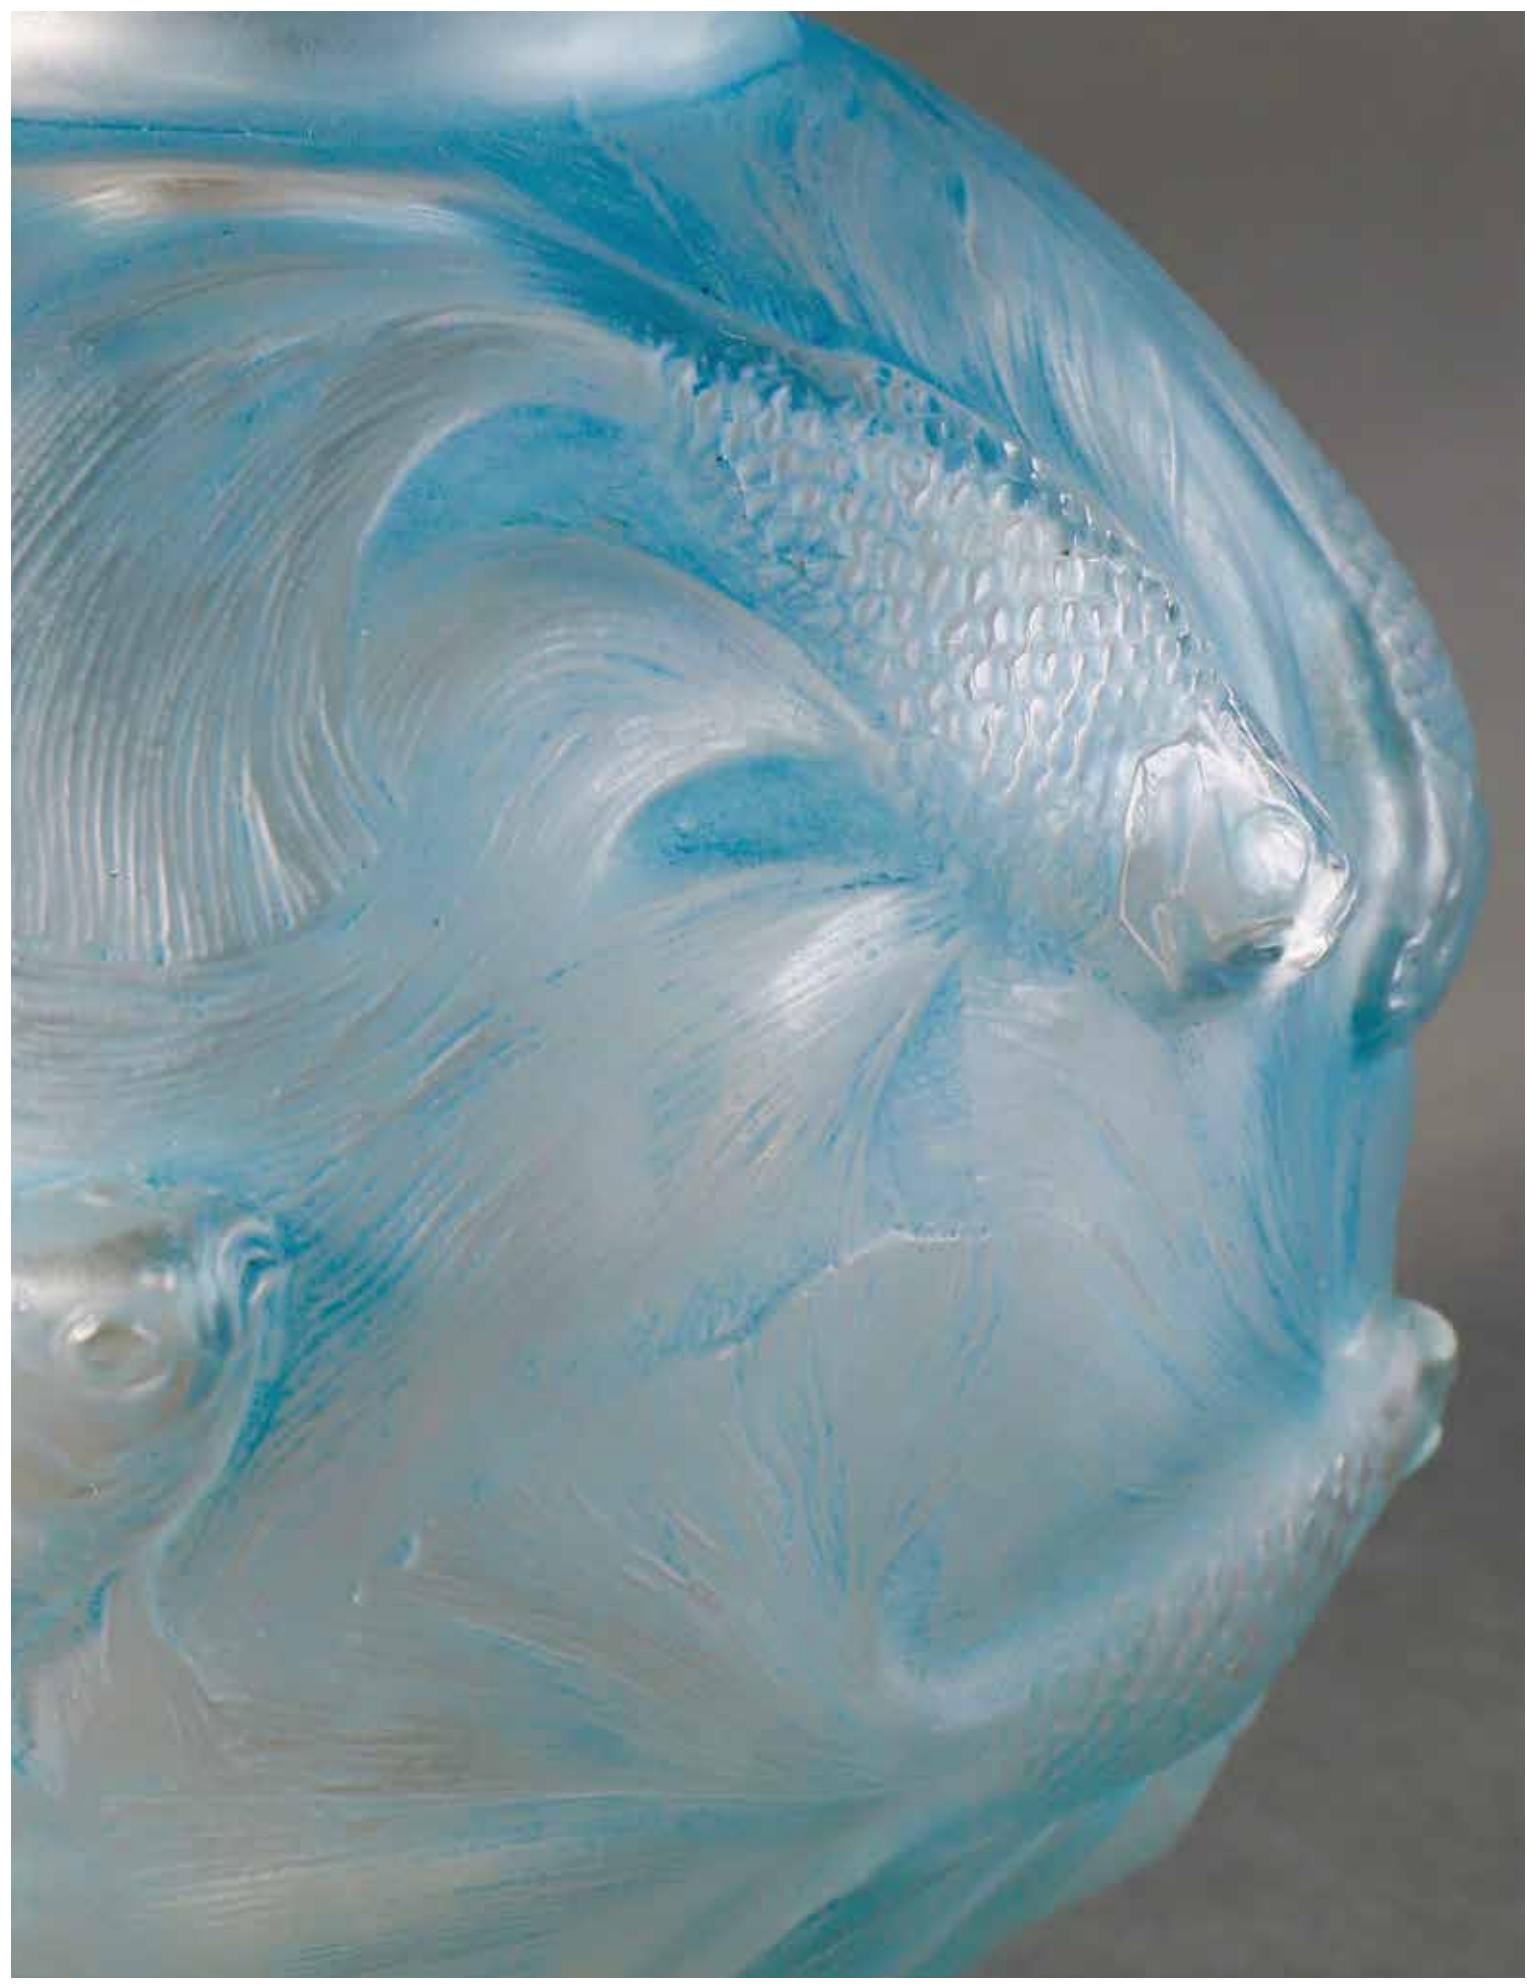

Property of the item is not transferred to buyer until full payment of all sums owed to auctioneer (retention of title). While retention of title is valid buyer is obliged to refrain from selling the item (item which is owned with reservation) or otherwise dispose of the property hereof. Buyer is obliged to refer to the existing third-party property if third parties, in particular bailiffs, try to get hold of the item which is owned with reservation and to notify auctioneer accordingly without delay in order to enable the enforcement of property rights.

## 10. Limited Liability

Claims for indemnity - irrespective of legal basis - against auctioneer including its representatives and auxiliary persons, which presume negligence, only exist, if a material contract obligation has been breached. In such event claims for indemnity are limited regarding its amount to the damages which are typically predictable.

Bei den Vitrinen handelt es sich um ein Ensemble erstklassiger Wiener Kunstmöbelstischlerarbeiten vom Beginn des letzten Jahrhunderts. Sie gehörten zu einer Berliner Wohnung, deren Einrichtung durch zeitgenössische Fotografien der nur mit Vornamen bekannten Besitzer (Aennes, geborene Schneible und Hermann) dokumentiert ist. Sie zeigen Ansichten des Herrenzimmers und des Salons, auf einigen Fotografien ist eine weibliche Person, wohl besagte Aennes zu sehen. Die Einrichtung umfasst neben den Vitrinen ein passendes Kanapee und gepolsterte Stühle, deren Bezüge das Motiv der Intarsien aufgreifen und auch die Perlmuttintarsien zeigen. Die Wohnung ist mit zahlreichen Gemälden, Bronzeskulpturen, Prunkvasen, Leopardenfell, antiker Keramiksammlung und einem Jugendstilwandteppich üppig und niveauvoll ausgestattet. Einige der beiliegenden Fotografien sind als Grußpostkarten an die Mutter der Besitzerin, Frau C. Schneible, von Berlin nach Mainz in die Lotharstraße 13 überendet worden. Ihr Ehemann Caspar Schneible war ein Mainzer Geschäftsmann, für den der Architekt Philipp Baum (1849-1886) ein Wohn- und Geschäftshaus in der Kaiserstraße in Mainz entwarf, welches genau wie das Haus in der Lotharstraße im Zweiten Weltkrieg zerstört wurde. Die Pläne für das Haus in der Kaiserstraße werden im Architekturmuseum der Technischen Universität Berlin aufbewahrt und wurden auch z.T. in der Architektonischen Rundschau von 1890 (Verlag Engelhorn Stuttgart) veröffentlicht.

Auch wenn der Hersteller der Vitrinenmöbel nicht eindeutig identifiziert werden kann, so sind in einzelnen Details Parallelen zu den Arbeiten einiger Wiener Hersteller wie Portois & Fix, August Ungethüm und J. & J. Hermann ebenso wie Entwürfen von Koloman Moser o.a. vorhanden. Die qualitätvolle und sehr aufwendige Ausführung der Stücke spricht für eine Fertigung durch einen erstklassigen Wiener Kunstmöbelstischler.

**Hein Bollow (1920-2020) – Sieger-Trophäen  
einer Legende des GaloppSports**

Hein Bollow ist eine Legende des internationalen GaloppSports. Pferde waren seine Leidenschaft und noch im hohen Alter von 99 Jahren spazierte er täglich von seiner Wohnung in einer Kölner Senioreneinrichtung hinüber zur Rennbahn Köln-Weidenpesch, wo er viele Jahre seines Lebens verbracht hatte. In seiner aktiven Laufbahn als Jockey (1936-1963) konnte er über 1000 Siege und anschließend als äußerst erfolgreicher Trainer (1963-1988) mehr als 1500 Siege verbuchen, darunter mehrfach das Deutsche Derby in Hamburg-Horn und das Deutsche Jockey Championat. Bei den Schneerennen in St. Moritz und den Galopprennen in Hoppegarten und Baden-Baden ging er viele Male als Gewinner über die Ziellinie. Sein letztes Rennen als Jockey ritt er 1963 in Krefeld. Aus dieser überaus erfolgreichen internationalen Karriere als Jockey und als Trainer präsentieren wir eine mehr als 70 Sieger-Trophäen umfassende Auswahl, die wir in mehreren Einzelkonvoluten anbieten: eine Sammlung von Silber- und Glasobjekten mit historisch dokumentarischem Charakter.

### Keramiken von Hans Coper (1920-1981)

Hans Coper gilt neben Lucie Rie als der bedeutendste britische Studiokeramiker des 20. Jahrhunderts, dessen Werke auf dem internationalen Markt Höchstpreise erzielen. 1939 floh er als 19-jähriger jüdischer Student vor den Nazis aus Deutschland nach England und lebte dort bis zu seinem Tod 1981. Von 1946 bis 1958 war er zunächst als Assistent in der Werkstatt von Lucie Rie tätig, anschließend dann mit großem internationalen Erfolg in eigenen Studios. Charakteristisch für seine Arbeiten ist die hohe skulpturale und handwerkliche Qualität der abstrakten Formen, die zurückhaltende Farbpalette in Braun-, Schwarz-, Weiß- und Grautönen und die experimentelle Oberflächengestaltung mit lebendigen Texturen und Schraffuren. Zu seinen bekanntesten Werken im öffentlichen Raum gehören die sechs monumentalen Altarleuchter in der Kathedrale von Coventry. In der aktuellen Auktion präsentieren wir drei seltene Keramiken aus seinem beeindruckenden Werk: zwei Spaten-Formen, u.a. eine sehr große Variante, und eine skulpturale Gefäßform aus seiner Zeit in Digsowell House.

### Ceramics by Hans Coper (1920-1981)

Along with Lucie Rie, Hans Coper is considered the most important British studio ceramist of the 20th century, whose works achieve top prices on the international market. In 1939, as a 19-year-old Jewish student, he fled the Nazis from Germany to England and lived there until his death in 1981. From 1946 to 1958 he worked initially as an assistant in Lucie Rie's workshop, then with great international success in his own Studios. Characteristic of his work is the high sculptural and craftsmanship quality of the abstract forms, the restrained color palette in brown, black, white and grey nuances and the experimental surface design with lively textures and hatching. The six monumental altar candlesticks in Coventry Cathedral are among his best-known works in public spaces. In the current auction we are presenting three rare ceramics from his impressive work: two spade shapes, including a very large variant, and a sculptural vessel shape from his time in Digsowell House.

**C.O. Paeffgen  
(1933-2019)**

Die hier vorliegende Arbeit von C.O. Paeffgen mit der Darstellung zweier sich zur Begrüßung umarmender Personen gehört zur Werkgruppe der ‚Umrandungen‘. Typisch für diese ironisch kommentierenden Werke sind die mit dickem Stift scheinbar grob nachgezeichneten Umrisse der Figuren, für die Paeffgen Vorlagen z.B. auf Zeitungsfotos fand, die er dann stark vergrößert auf die Leinwand brachte. Assoziationen an bekannte Werke, die Szenen aus dem englischen Königshaus thematisieren, sind naheliegend, wenn auch die hier dargestellten Personen nicht eindeutig identifiziert werden können.

Nachdem Paeffgen 1962 sein Jurastudium in Köln und Berlin abgeschlossen hatte, begann er 1970 zu malen. Zu den ‚Umrandungen‘ kamen plastische Arbeiten, die ‚Umwicklungen‘, eine Werkgruppe, für die er Fundgegenstände und zeichenhafte Objekte mit dickem Draht umwickelte. Bereits seit den 1970er Jahren wurden Paeffgens Werke in Galerien ausgestellt, seit den 1980er Jahren mit zunehmendem Erfolg in Galerien und Museen. 1999 widmete ihm das Museum Ludwig in Köln eine Retrospektive.

## Richard Pettibone's Andy Warhol

Richard Pettibone (\*1938) gehört zu den Wegbereitern und Hauptvertretern der Appropriation Art, einer Richtung, die der Konzeptkunst zugerechnet wird. In seinen Arbeiten zitiert Pettibone bekannte Pop-Art-Motive von Andy Warhol und Roy Lichtenstein, ebenso von Künstlern wie z.B. Jasper Johns, Frank Stella oder Ed Ruscha. Vielfach sind es Künstler, die sich bereits mit dem Thema der Serialität befasst haben. Er überträgt ihre Themen wiederum mit seriellen Techniken wie z.B. der Serigraphie in Miniaturformate und versieht sie mit eigenen künstlerischen Interventionen. Die ersten Werke dieser

Reihe sind zwei Arbeiten aus dem Jahr 1964, die Warhols Campbell Soup Cans zum Thema haben. Die vorliegende Arbeit mit dem ikonischen Portrait Andy Warhols ist eine charakteristische Arbeit aus dem Oeuvre Pettibones. Seine Werke wurden in zahlreichen Ausstellungen präsentiert (u.a. 2005 eine große Retrospektive im Laguna Art Museum), ebenso befinden sich in namhaften Museen wie dem Museum of Modern Art und dem Whitney Museum of American Art in New York, dem Museum of Contemporary Art in Los Angeles und dem Institute of Contemporary Art in Philadelphia.
